Ooh child things are gonna get easier
Ooh child things'll get brighter
Ooh child things are gonna be easier
Ooh child things'll get brighter

Some day we'll put together what was coming undone
Some day we'll tie it all tighter
Some day we can lay in the rays of the beautiful sun
Some day the sky will be brighter

Ooh child things are gonna get easier
Ooh child things'll get brighter
Ooh child things are gonna be easier
Ooh child things'll get brighter

Some day it won't be long when I see you again
Some day the time will be tighter
Some day we'll loose the blues and the hurt in your heart
Some day then my heart wil be lighter

Ooh child things are gonna be easier
Ooh child things'll be brighter

Oh some day we'll be together
(Some day we'll put together what was coming undone)
(Some day we'll tie it all tighter)
Oh some day

(Some day we can lay in the rays of the beautiful sun)
Come in the sun
(Some day the sky will be lighter)
Brighter baby

Some day we'll put together what was coming undone
(Ooh child things are gonna get easier)
Some day we'll tie it all tighter
(Ooh child things'll be brighter)

Some day we can feel the heat of the heavier sun
(Ooh child ooh oo child)
Some day the sky will be brighter

(Ooh child things'll get lighter)

I wanna be together

Some day we'll put together what was coming undone

(Ooh child ooh child)

Some day we'll tie it all tighter

(Ooh child things will be tighter)

Some day we can lay in the rays of a beautiful sun

(Ooh child yes the weather)

Some day the skies will be lighter

(Ooh child things will be lighter)

Some day we'll put together what was coming undone

(Hey hey thank you Brian Hall)

Some day we'll tie it all tighter
