I used to be a rolling stone
You know if the cause was right
I'd leave to find the answer on the road
I used to be a heart beating for someone
But the times have changed
The less i say the more my work gets done
'cause i live and breathe this philadelphia freedom
From the day that i was born i've waved the flag
Philadelphia freedom took me knee-high to a man
Yeah gave me peace of mind my daddy never had
Oh philadelphia freedom shine on me, i love you
Shine a light through the eyes of the ones left behind
Shine a light shine a light
Shine a light won't you shine a light
Philadelphia freedom i love you, yes i do
If you choose to you can live your life alone
Some people choose the city
Some others choose the good old family home
I like living easy without family ties
Till the whippoorwill of freedom zapped me
Right between the eyes
