90 miles outside Chicago
Can't stop driving, I don't know why
So many questions I need some answers
2 years later you're still on my mind
Whatever happened to the Uptown theatre?
Yeah it held the stars up in the sky
Is true love just once in a lifetime?
Did the captain of the Titanic cry

Someday We'll Know
Why love can't move a mountain
Someday We'll Know
Why the sky is blue
Someday We'll Know
Why I wasn't there for you

Does anybody know the way to Atlantis?
Or what the wind says when she cries
I'm speeding by the place where I met you
For the 97th time

(chorus)
Someday We'll Know
Why love can't move a mountain
Someday We'll Know
Why the sky is blue
Someday we'll know
Why I wasn't there for you
Someday We'll Know
If love is do or die for
Someday We'll Know
Why it died so soon
Someday We'll Know
Why I wasn't there for you

I bought a ticket back to where I came from
I watched my past crash in the sea
If I could ask you just one question
Why aren't you here with me?
