He heard a voice call his name  
Pulling hard and telling him to make some change  
He let a lot pass him by  
Sacrificed his sacred fire to buy some time

To let it go sounds easy  
What used to be a certainty  
Is shifting with the sands of time

Sometimes a mind changes  
Then another heart's got to fly away  
Sometimes a mind changes  
Then another heart's got to fly away

She had a dream of family  
Two by thirty  
Living in love in tenderness

She let a lot pass her by  
Sacrificed her sacred fire  
To buy some time

Letting go sounds easy  
What used to be a certainty  
Ain't true

Sometimes a mind changes  
Then another heart's got to fly away  
Sometimes a mind changes  
Then another heart's got to fly away  
Sometimes a mind changes

Your mine  
Your always sometime  
Your mine  
Got to make a change  
Got to go away sometime  
Got to fly sometime  
Got to fly sometime

Sometimes a mind changes  
Then another heart's got to fly away

Sometimes a mind changes  
Got to fly away

Hey mistaken  
Come on  
Look at the same  
Gotta fly  
Sometimes
