Good loving  
The girl's got plenty good lovin'  
Ask me how I know and I'll tell you so  
Used to be my girl

I respect her when she was mine  
I used to neglect her  
She wanted more than I could give  
But as long as I live she'll be my girl

She used to be my girl  
She used to be my girl  
Oh, her personality  
The girl was so right for me  
She's my girl  
And If I had the chance once more  
I'd take her back  
As a matter a fact I'd take her back

Not only good-looking but looking smart  
Can't beat her cooking  
Ask me how I know and I'll tell you so  
She used to be my girl

She used to be my girl  
She used to be my girl  
Oh, her personality  
The girl was so right for me  
She's my girl  
And If I had the chance  
I'd take her back  
As a matter a fact I'd take her back

Sh-sh-should've  
Sh-sh-should've  
Sh-sh-should've  
Sh-sh-should've

Don't you know I'm way down, way down?  
Don't you know I'm way down, way down? Listen

Good loving

The girl's got plenty good lovin'  
Ask me how I know and I'll tell you so  
She used to be my girl, my girl

She used to be my girl  
She used to be my girl  
She used to be my girl
