Yo Baby Violent J's the Mack  
Hoe trick bitches I love you all  
Cuz I drill threw your neden like a god damn chainsaw  
I last a while, and when I finally nut  
It'll come out your ears and shoot out your belly button  
I'll wine you and dine you and when we's in the sack  
Put my shoulder on your stomach and put my foot on  
your back  
Right leg stuck to the wall with super glue  
Then I start strocken like a Chinese Kangaroo  
I tie your leg to the motha fuckin bed post  
Insert my ding-a-ling and your howlin like a ghost  
Violent J's the Mack  
Yo Baby Violent J's the Mack  
I do back flips, like an acrobat  
And then slap you in the face with my nutsack  
Cuz I work ya like a Chinese show gun  
Bring your Great Grandma and that'll be more fun  
Cuz age, ha, got no standards  
I'll show my scrotum sack to inocent bisterderds  
I'll tie your legs together, behind your head  
Then do you like the Skipper on my water bed  
I once fucked a girl with 3 titties  
2 Pussies 6 booties in the inner city  
Yeah I'll never forget that hoe  
Cuz I spread her frog legs and fucked her with my big  
toe  
Yo Baby Violent J's the Mack

Have you bendin more ways then a motha fuckin slinky  
Neden to me is a joke  
Because I work 'em so hard they start to smoke  
Violent J's the Mack
