Midnight hour almost over  
Time is running out for the magic pair  
I know you gave the best that you have  
But one more chance couldn't be all that hard to bear

Wait for me, please, wait for me  
Alright, I guess that's more than I should ask  
But won't you wait for me? Please, wait for me  
Although I know the light is fading fast

You could go either way, is it easier to stay?  
I wonder what you'll do when your chance rolls around  
But you gotta know how much I want to keep you  
When I'm away, I'm afraid it will all fall down

So wait for me, please, wait for me  
Alright, I guess that's more than I should ask  
But won't you wait for me? Please, wait for me  
Although I know the light is fading fast, yeah

Love is what it does and ours is doing nothing  
But all the time we spent it must be good for something  
Please forgive all the disturbance I'm creating  
But you gotta lot to learn if you think that I'm not  
waiting for you

So wait for me, please, wait for me  
Alright, I guess that's more than I should ask  
So won't you wait for me? Please, wait for me  
Although I know the light is fading fast, yes it is

Lady, you gotta lot to learn if you think that I'm not  
waiting for you

So wait for me, please, wait for me  
Alright, I guess that's more than I should ask  
So won't you wait for me? Please, wait for me  
Although I know the light is fading fast, isn't it?

You gotta lot to learn if you think that I'm not waiting for  
you

Wait for me, please, wait for me  
Alright, I guess that's more than I should ask  
So won't you wait? So won't you wait?
