What I want you've got
And it might be hard to handle
Like the flame that burns the candle
The candle feeds the flame hey hey

What I've got full stock
Of thoughts and dreams that scatter
And you pull them all together
And how I can't explain, oh yeah?

Well, well you, you make my dreams come true
Well, well, well you, oh yeah
Well you make my dreams come true

On a night when bad dreams
Become a screamer
When they're messin' with the dreamer
I can laugh it in the face

Twist and shout my way out
And wrap yourself around me
'Cause I ain't the way you found me
And I'll never be the same, oh yeah

Well, 'cause you, you make my dreams come true oh
yeah
Well, well, well you, you make my dreams come true
Oh yeah

Listen to this
I'm down on my daydream
Oh that sleepwalk should be over by now I know

Well you, yeah you make my dreams come true oh
yeah
I'm waitin' for, waitin' for you girl, oh yeah
You make my dreams come true

I'm waitin' for, waitin' for you girl
You make my dreams come true
I'm waitin' for, waitin' for
Waitin' for, waitin' for, waitin' for, waitin' for

(You make my dreams)
I've been waitin' for you girl
(You make my dreams)
