Sometimes my hear seems to slip away
To yesterday, when your eyes held all the answers

It's easier to keep the pain
And hope
But I can't forget
All the time I stayed inside the laughter

[CHORUS]

So if you want me I'll be there
I'll be waiting at the top of the stairs
And if you want me you can call
I will catch you if you stumble and fall

[REFRAIN]

Oh, I'd do it all again
The same thing happens
With the same sad end
Oh, I'd do it all again
I'd do it all again
Oh, oh

Time takes it's toll for the broken heart
But not so smart
I suppose I will always love you

Looking back to what I was before you came
I'm not the same, no
What you gave was what it took to pull through

[Repeat CHORUS]

[Repeat REFRAIN]

I can forgive you
But I can't forget you
I never let you see
The tears behind my smile

[Repeat REFRAIN]

Do it all again

Do it all again
Do it all again
Do it all again
Oh, I'd do it all again

[Repeat CHORUS 2x]

[FADE]
