I'm just a little bit uneasy
I'm just a little bit unkind
I'm just a little bit ungrateful
'Cause I'm just a little bit on your mind
Just a little bit on your mind.

I'm just a little bit undevoted
I'm just a little bit blind
I'm just a little bit angry
Just a little bit on your mind.

I'm just a little bit un-welcome
I'm just a little bit in behin
I'm just a little bit in love
But I know I'm just a little bit on your mind
Just a little bit on your mind.

You're just a little unfaithful
We're just a little bit out of time
You're just a little bit untrue,
I'm just a little bit on your mind
I'm just a little bit on your mind
I'm just a little bit on your mind.
