I know a place  
Where the enemies are meaner  
Lakitu in the clouds  
And piranhas in the water

Fire in the flowers  
And there's money in the pipes yeah  
Climb up the vine  
And go grab the extra life yeah

You can fly through the sky  
But the princess is in another castle  
Hope you're ready to die  
Cause Bowser knows she's the one that you're after

Mushroom kingdom gurls they're unforgettable  
Daisy's yellow with orange on top  
Princess Peach is waiting to be rescued  
Oh oh oh oh

Mushroom Kingdom gurls are so versatile  
Sports and karts they got it on lock  
Princess represent through all the lands yeah  
Oh oh oh oh

Yo pink on the bottom and yellow on top  
She can bake a pretty cake and she's super hot  
Fighting racing sports she's a triple threat  
You think she's tough, you ain't seen nothin yet  
With my tanuki suit and my magic flute  
A froggie outfit and a wind-up boot  
I will reach her any way I can  
Cause without her I'm a plumber  
But with her I'm a man

You can fly through the sky  
But the princess is in another castle  
Hope you're ready to die  
Cause Bowser knows she's the one that you're after

Mushroom kingdom gurls they're unforgettable  
Daisy's yellow with orange on top

Princess Peach is waiting to be rescued  
Oh oh oh oh

Mushroom Kingdom gurls are so versatile  
Sports and karts they got it on lock  
Princess represent through all the lands yeah  
Oh oh oh oh
