Special thing  
Open your eyes  
I've got something  
Shiny and Diamond for you  
To hold onto  
And know that you're mine  
Even though time seems a long time

Precious thing  
Are we alone  
In this world  
Do we reach out  
For hands in the dark  
To hold onto  
With arms stretched to Heaven  
And hoping our sins are forgiven

Have we come too far?  
Have we come too far?  
Have we come too far  
Just to know where we are?  
Just to know where we are?

Curious thing  
Are you listening  
To me? Do you know  
What I'm trying to say?  
I thought I could change  
I could grow like the roses  
And songs that we liked yesterday

Have we come too far?  
Have we come too far?  
Have we come too far  
Just to know where we are?  
Just to know where we are?  
Just to know...

Have we come too far?  
Have we come too far?  
Have we come too far  
Just to know where we are?

Just to know where we are...
