You'll Discover the Casual Friends
That Put Note in Thier Pockets to Remember Your
Name.

And All These Place That We Went to See Signs
Just Gave Them Excuses to Get Into the Game.

And There's a Look On Thier Face Tonight
That's Untrustable As the Hope
That You'll Never Return in a While
But You're Always On Time So...

Sleeping Soundly
The Back of the Car
Felt More Like a Home Than I'd Ever Have Thought
And Through the Evening the Engine Kept On
Until We Hit Chicago and Decided to Stop

There's a Look On Thier Face Tonight
That's Untrustable As the Hope
That You'll Never Return in a While
But You're Always On Time...

There's a Look On Thier Face Tonight
That's Untrustable As the Hope
That You'll Never Return in a While
But You're Always On Time So...
