Try to Scrape It Off the Thought of Skin Against Skin
Move It From the Front to Back and Start It Go Again

With the Depression and Time We Will Multiply
Till I've Got More Mouths to Feed
Than I Can Ever Fit in This Auto
You Go Have a Good Time
Bring Back Stories 'cause I Will Stay Behind

So Punch the Clock Two Months of Up and I Am Stuck
Down
Against the Thought of Heat Rises Out of This Town

With the Depression Than and Time We Will Multiply
Till I've Got More Mouths to Feed
I Can Fit in This Auto
You Go Have a Good Time
Bring Back Stories 'cause I Will Stay Behind

And That's the Story of the Boy Who Tried to Play Cool
We Found It Hard to Keep It Up When You Were
Changing Rules

With the Depression and Time We Will Multiply
Till I've Got More Mouths to Feed Than
I Can Fit in This Auto
You Go Have a Good Time
Bring Back Stories 'cause I Will Stay Behind
