It all came so easy, all the loving you gave me  
The feelings we shared, and I still can remember  
How your touch was so tender, it told me you cared

We had a once in a lifetime  
But I just couldn't see, until it was gone  
A second once in a lifetime, may be too much to ask  
But I swear from now on

Chorus:  
If ever you're in my arms again  
This time I'll love you much better  
If ever you're in my arms again  
This time I'll hold you forever  
This time will never end...

I see it clearly  
How I still need you near me  
I still love you so  
There's something between us  
That won't ever leave us  
There's no letting go

We had a once in a lifetime  
But I just didn't know it  
Till my life fell apart  
A second once in a lifetime  
Isn't too much to ask  
'Cause I swear from the heart

(Chorus)

Will never end  
My love will never end

Cause we've got the best of romances  
The best of romances,  
Deserve second chances  
I'll get to you somehow  
'Cause I promise now

(Chorus) 2x
