Another day passes by, I'm dreamin' of you,
And though I know it might be just a dream, dreams
come true,
Somewhere, somehow i'll find you even though it takes
all of
My life {all of my life}

And when I finally do {and when I finally do}
I know inside my heart { I know inside my heart}
That there could be no doubt, I knew it from the start

{you are the one} you are the one
That I've been searching for my whole life through,
{you are the one} you are the one that I've been
looking for
And now that i have found you,
{duet} I'll never let you go, I'll hold you in my arms
You are the one

Another night spent alone
I'm lying in the dark {lying in the dark}
I don't know your name
But I know your voice sings to my heart {voice sings to
my heart}
A sweet melody, a symphony of love

I know that come one day {I know that come one day}
I time for you and me {a time for you and me}
To finally be together, cause I know we're meant to be
{repeat cho. except last sentence}

Forever's a meaningless word
Even though you're here with me
Here by my side, here in my heart

{duet} I'll never let you go I'll hold you in my arms

{you are the one} you are the one that I've been
searching for my whole life through
{you are the one} that I've been looking for and now
that I have found you
{duet} I'll never let you go, I'll hold you in my arms

{repeat 1}

Cause you are the one, you are the one
