Verse 1.

The worst thing is
I know,
If you wanted me back
I wouldn't say no.
I sweat love for you
Beneath my skin,
Manufactured rainforests
Made from tin.
My mum once said
Never say hate,
Because the angels cry
At heaven's gate.
Death is the only thing
Life can guarantee,
Does not sound at all
Cynical to me.

Verse 2.

I might well be
Made from stars,
But my heart
Still scars.
You need to wake up
From your dreams,
But remember that oceans
Are made from streams.
All I really want
Is to find the truth,
It feels like
A pulled tooth.
How do you think
It feels,
When the pain
Never heals.

Chorus.

Good night sleep tight
Don't let me wake up

Because this pain has to stop.
Please, make it stop.
