

Darzamat "Hallucinations"

Visit "[Hallucinations](#)" on MotoLyrics.com

Hail black mushrooms clouds
Hail ladies of paganism
Hail Devil's servant
Hail Master of ceremonies

Secrets of Black Art...

Hallucinations...

Black Art *ÄfÄçâ, -*" a direct appeal to the spirits

Fire through your veins
Dismal bliss inside
Overtakes me
Darkens my eyes *ÄfÄçâ, -*" to see...

While they dance to the accompaniment
Of barbarous hearts with more than real
Hallucinations
I cross the deepest river of my consciousness
