My beloved daughter
Innocent have I come into prison
Innocent have I been tortured
Innocent must I die

They said: "You are a witch! Will you
confess it voluntarily?
If not, we will bring in witnesses and executioner for
you!
You are a witch/ you are a witch/ you are a witch...

The executioner put the thumb-screws on me,
both hands bound together, so the blood ran out at the
nails
and everywhere, so that for 4 weeks I could not use my
hands,
as you can see from the writing.
Thereafter they stripped me, shaved me all over,
bound my hands behind me and drew me up in the
torture.
Then one said: "Invent something,
for you cannot endure the torture you will be put to.
One torture will follow another until you say you are a
witch.
Not before that will they stop.

Am I a witch? Yes, I am a wicked woman turned aside
to Satan,
seduced by demons. I pass over great spaces of the
earth during the nights,
obeying commands of my mistress Diana.

My beloved daughter, goodnight, for your mother will
never see you more.
