Blast Off  
Sam Pete  
Crash Landing EP 2009  
THE REPUBLIK

Hey Groove you ever get the feel that you not  
Normal, you like not strange or crazy but different

U know u don't walk the same or talk the same, you got  
your own lil beat or somethingÂ...

I don't know man butÂ...  
IÂ'm feelin kinda odd

(Verse 1)  
I woke up this morning  
Stumbled out of bed  
Looked in the mirror and said to myself

Why u out here wastin yo time and energy  
Tryinna sell ya swag to everyone else

Think about it if they buy it from u  
It means u hot  
And there is something you got  
That they don't

And then it hit me like lightenin  
The light bulb flashed in my head and that's all She  
wrote

Man I'm bout to blast off!!!

(Pre- Chorus)  
Hello world  
I hope ur ready for me

Cause IÂ'm about to Blast Off!

Paparrazi get ya cameras ready cause  
Here is what you came to see

Cause IÂ'm about to Blast Off

About to be the hottest thing to ever set foot on the  
globe itÂ's me

Cause IÂ'm about to Blast Off!

Hey HeyÂ...  
Wait till you get a load of me

Cause IÂ'm about to Blast Off!

(Chorus)  
Cause IÂ'm about to Blast Off.  
Blast offÂ...about to Blast Off

Cause IÂ'm about to Blast Off!

Cause IÂ'm about to Blast Off.  
Blast offÂ...about to Blast Off

Cause IÂ'm about to Blast Off!  
Cause IÂ'm about to Blast Off.  
Blast offÂ...about to Blast Off

Cause IÂ'm about to Blast Off!  
Cause IÂ'm about to Blast Off.  
Blast offÂ...about to Blast Off

Cause IÂ'm about to Blast Off!

Let me do my thangÂ...  
Let me do my thang.

Let me do my thang-huh

Let me do my thangÂ...  
Let me do my thang.

Let me-Back UP! Hey!

Let me do my thangÂ...  
Let me do my thang.

I said give me some space hey!

Let me do my thangÂ...  
Let me do my thang.

(Verse 2)  
So today I quit my job

Like fuck this shit  
Man I'm out  
I gotta do my thang

I I I'm tired of being used  
No credit No dough  
Give a fuck if it's apart of the game

Now paying dues is for people who owe somebody  
And the only one that I owe is me

So u can keep all the credit and the money that u want  
But u won't keep ya hold on me  
cause I'm bout to blast off!

(Pre- Chorus)  
Hello world  
I hope ur ready for me

Cause IÂ'm about to Blast Off!

Paparrazi get ya cameras ready cause  
Here is what you came to see

Cause IÂ'm about to Blast Off

About to be the hottest thing to ever set foot on The  
globe itÂ's me

Cause IÂ'm about to Blast Off!

Hey HeyÂ...  
Wait till you get a load of me

Cause IÂ'm about to Blast Off!

(Chorus)  
Cause IÂ'm about to Blast Off.

Blast offÂ...about to Blast Off

Cause IÂ'm about to Blast Off!

Cause IÂ'm about to Blast Off.  
Blast offÂ...about to Blast Off

Cause IÂ'm about to Blast Off!  
Cause IÂ'm about to Blast Off.  
Blast offÂ...about to Blast Off

Cause IÂ'm about to Blast Off!

Cause Iâ'm about to Blast Off.  
Blast offÂ...about to Blast Off

Cause Iâ'm about to blast Off!

(Verse 3)  
Yesterday I felt trapped  
And stuck Iâ'm my surroundings  
Until I just changed my mind

And now nothinÂ' is the same  
It all looks a lilÂ' different  
Wit these Rose tinted shades  
Of mine

I'm magnificent (yup)  
Iâ'm feelinÂ' myself  
And I must say  
I feel real good

It's like I'm a  
New person  
That can do all the things  
The old me never thought he could

(Bridge/Vamp)  
Damn I think I'm floating  
I can't stay put  
On the ground  
Like I'm about to fly

Man I swear I'm levitating  
HoverinÂ'  
Over  
All The bullshit that was holding me down

Now I'm soaring, I'm my own superhero  
It's so beautiful  
I feel like I'm about to cry

And I could hear angels singing like  
Aye where u been  
Don't u know your home is here in the sky

And my only explanation  
Is that I been waiting  
For the right time to be my self

I felt a lilÂ' outta place  
Just Tryinna blend in  
And be normal

Like everyone else...

So I stopped doin' that  
And started doin' me  
Looked in the mirror  
Told myself to Get Free

I'm outta sight peace to BLAQ  
Look me up if u fly past my galaxy  
Man I'm bout to Blast Off!

(Pre- Chorus)  
Hello world  
I hope ur ready for me

Cause I'm about to Blast Off!

Paparrazi get ya cameras ready cause  
Here is what you came to see

Cause I'm about to Blast Off

About to be the hottest thing to ever set foot on The  
globe it's me

Cause I'm about to Blast Off!

Hey Hey...  
Wait till you get a load of me

Cause I'm about to Blast Off!

(Chorus)  
Cause I'm about to Blast Off.  
Blast off...about to Blast Off

Cause I'm about to Blast Off!

Cause I'm about to Blast Off.  
Blast off...about to Blast Off

Cause I'm about to Blast Off!  
Cause I'm about to Blast Off.  
Blast off...about to Blast Off

Cause I'm about to Blast Off!  
Cause I'm about to Blast Off.  
Blast off...about to Blast Off

Cause I'm about to Blast Off!

Let me do my thangÂ...  
Let me do my thang.

Let me do my thang-huh

Let me do my thangÂ...  
Let me do my thang.

Let me-Back UP! Hey!

Let me do my thangÂ...  
Let me do my thang.

I said give me some space hey!

Let me do my thangÂ...  
Let me do my thang.
