And you ain't gotta hold back no...
Cause no one will here it
When u make that sound

Girl u can be as loud as u want so-

(Hook)
Let's play a game Girl...

Cause I wanna Rock u
Until the Morning Comes...
And maybe into the afternoon

Let's play a game Girl...
Cause I wanna Rock u
Until the morning comes...
And once u try it baby u can't lose

(Verse 2)
I know you want it girl...
U want it
Just as
Much as

And U ain't gotta be scared no...
Cause I know
There's a freak inside of you
So won't you let her
Come out tonight and let's play a game girl...

(Hook)
