Oh, the gentlemen are talking and the midnight moon
is on the riverside,
They're drinking up and walking and it is time for me to
slide.

I live in another world where life and death are
memorized,
Where the earth is strung with lovers' pearls and all I
see are dark eyes.

A cock is crowing far away and another soldier's deep
in prayer,
Some mother's child has gone astray, she can't find
him anywhere.

But I can hear another drum beating for the dead that
rise,
Whom nature's beast fears as they come and all I see
are dark eyes.

They tell me to be discreet for all intended purposes,

They tell me revenge is sweet and from where they
stand, I'm sure it is.
But I feel nothing for their game where beauty goes
unrecognized,
All I feel is heat and flame and all I see are dark eyes.

Oh, the French girl, she's in paradise and a drunken
man is at the wheel,
Hunger pays a heavy price to the falling gods of speed
and steel.

Oh, time is short and the days are sweet and passion
rules the arrow that flies,
A million faces at my feet but all I see are dark eyes.
