Don't walk away Eileen  
I've been livin' for you since the age of seventeen  
Don't walk away Eileen  
You've been tellin' lies and now it's time to come clean

Hey! You come around and I  
Hey! You come around and I  
Hey! You come around and I can't keep time  
Hey! You turn around and I  
Hey! You turn around and I  
Hey! You turn around and I'm left behind

Eileen says I'm a boy, not a man  
Cryin' on the corner with my head in my hands  
I called her name and she ran  
Slippin' through my fingers like a fist full of sand

Hey! You come around and I  
Hey! You come around and I  
Hey! You come around and I lose my head  
Hey! You turn around and I  
Hey! You turn around and I  
Hey! You turn around and I'm left for dead

And she reads my mind when I'm sleepin'  
And she always arrives when I'm leavin'  
Yeah, she's blocking out the sun it seems  
You're a pacifist with a gun, Eileen

Hey! You come around and I  
Hey! You come around and I  
Hey! You come around and I can't keep time  
Hey! You turn around and I  
Hey! You turn around and I  
Hey! You turn around and I'm left behind

Hey! You come around and I  
Hey! You come around and I  
Hey! You come around and I lose my head  
Hey! You turn around and I  
Hey! You turn around and I  
Hey! You turn around and I'm left for dead
