Give me my baby
I want my baby

I used to run around town playing games
Loving girls and taking no names baby
But then I found you
You're driving me crazy, driving me crazy
Now I don't do the things I used to do
I can't explain it but I got a thang for you
24/7 girl - I'm into my baby, into my baby

[Hook]

You can have this world that we live in
You can take my car, I ain't trippin'
You can have it all, just give me my baby, give me my
baby
You can have the house that I live in
You can take all the other women
You can have it all, just give me my baby, give my my
baby

Now take away all my diamond rings
Cause i don't need material things
As long as I got you
Just me and my baby, me and my baby
I'll write a song that says I love you
And pray to God that I'll always keep you
You're the one that I want
Just me and you baby, me and you baby

Oh baby, here we go
I wanna be the one at night you hold babe
Tell your roommate, your not coming home
There's no need to wait up by the phone
Cause tonight is our night and everything is gonna be
alright
I'm with you, I need you
And baby I just want you, to know

[Hook]

Give me my baby (yeah)
Give me my baby (I want my baby)
Give me my baby (ooh oh)
Give me my baby (yeah yeah yeah)
Give me my baby (my baby, baby, baby, baby)[x2]
Give me my baby (ooh yeah)

Give me my baby (yeah, yeah, yeah, yeah)[x4]
