All day long, til the early morn
You got your mind on him
Who's got their mind on you
And while he creeps on you
I'm diggin' on you
So crazy, sexy, cool
Girl he must be a fool

[Hook]

If you spent last night crying on your pillow
It's on tonight (tonight)
If he leaves you hangng on on the weekend baby
It's on tonight (tonight)

If you put me on I will guarantee
You wont be sorry no Cause I'm the man you need
Ain't trying to player hate but I just can't wait
To show that I can do all the things that Joe won't do

[Hook]

Baby it's just the thing that you want
I'm everything that you're seeing baby

[Hook]x2

I just want to love you down
Only want to be around
I just want to love you down
Olny want to be around

[Hook]x2
