I know
That we've been moving around
And I see
That it's been getting you down
Well I've found
A little lover's surprise

My love is freeing
And your life is deceiving
My eyes are seeing
And seeing is believing

I know
That we've been stuck in this town
And I see
That's it been letting you down
Well here's your
A little lover's surprise

My love is freeing
And your life is deceiving
Blind man is seeing
And seeing is believing
My love is freeing
And your life is deceiving
Your eyes are seeing
And seeing is believing
My love is freeing
And your life is deceiving
Blind man is seeing
And seeing is believing
My love is freeing
And your life is deceiving
My eyes are seeing
And seeing is believing
My love is freeing
And your life is deceiving
Your eyes are seeing
And seeing is believing
My love is freeing and your life is deceiving
Blind man is seeing
And seeing is believing
