The books in reverse kicks a verse  
I'm takin it to ya face, I'm iggity on the case I persuit  
To stomp an mc like grapes and then scrape em with

I bring swing to the ring like luke doover  
Diggity-got land like a cruiser, pop duke he rip a

For pages, I kick it raw til my jaw caves in  
Amazin and plus off-beat like caucasians  
Me get done? never son, I hold it down for 7-1-a  
Where niggas fuck around and where niggas lay  
Ain't nuttin slim, I got game like tim hardaway  
Fouls like the proudest so I'm labbin in rca  
Aw shit, I got you buggin, flippin that shit that you lovin
