Aiyo peep it, can you keep it down while I rock  
Tick tock about this chick around the block?  
She was high host, to the most hostess, no boastin'  
Back in '85, she was live, yo no jokin'

A real go-getter, didn't try and sweat her  
Fifteen years old and she was pushin' a jetter  
She had loot, moms and pops dukes had the bankin'  
She walked around school and the stunt would act  
stankin'  
Bitch, young Miss, only dated older fellas  
My slang couldn't hang, no thang, I wasn't jealous of  
her

Oh yeah, where was I? Bustin', now I'm ready  
Now it's '87 and Miss Thing is goin' steady  
She was schoolin', chillin' 'cos her man was makin'  
papers  
Tellin all her friends that these niggas caught the  
vapors

He found her, phoned her, then yo we boned her  
Soon came a smack then he act like he owned her  
He used her, 'bused her, fractured her wrist

Then the Tommy got slapped behind her back gettin'  
dissed  
I was buggin', 'nuff on the stuff that I was seein'  
But that's how it goes for the hoes when they're bein'

Aiyo mirror, mirror, mirror, mirror, mirror on my  
dresser  
Remember that chick Loretta, back in the days I used ta  
sweat her  
I wanted to smoke the boots, troop, it didn't matter  
She was kickin' it to my man Stan who's livin' phatter

Than me, hops, chillin' in my hoodie and my Reebok's  
Now she's in a jam 'cos, Stan was slangin' rocks, but  
Look at me now, honey, 'cos this the morning after  
I'm yapper, a nappy-headed undaground rappa  
Word to mom dukes, she was suits so I took her to my  
show  
Just to show my niggas that the hooker was

Ah the show was phat, now it's back to the room, G  
Yo mirror, this is where Loretta tried to do me  
My neck was on her tongue, Ep's was gettin' swung  
Krayz was gettin' biz with the friend that she brung

Then she took it upon herself to let me know she's in  
the mood-a  
Then she licked her boot-a, oh shoot-a, I screwed her  
I showed her, I rolled her, from here to North Dakota  
I gangbanged the boots like a Brooklyn troop oughta  
I stuck it in her backwards, bust a nut, she was starvin'  
So I pushed in the bush 'til those lips started partin', but  
she was
