Rite now, Shiggity show 'em how my crew get down  
Rite now, Das EFX puttin' it down  
Rite now, everybody raise it up  
Rite now, we about to blaze it up

Rite now, shiggity show 'em how my crew get down  
Rite now, Das EFX puttin' it down  
Rite now, everybody raise it up  
Rite now, we about to blaze it up

Diggity drop the new talk from Jersey and New York  
We holdin' down the fort in the sport what y'all thought?  
Diggy Das what? Lick off shots and hip hop  
It don't stop, I riggity rock blocks when my shit drop

Boogie Bang Banger, cock back the rap hammer  
Bust grammar, I stay bent like a coat hanger  
Niggity no manners, up in here with my skullie on  
Fully on, riggity-rockin' fatigues like Desert Storm

Yo, figgity-face it, we lace it, far from basic  
Taste it, shine like diamonds in ya bracelet  
Higgity-hey kid, me and my Squad about to blow  
Let it go, briggity-bringin' the hook and let 'em know

Rite now, shiggity show 'em how my crew get down  
Rite now, Das EFX puttin' it down  
Rite now, everybody raise it up  
Rite now, we about to blaze it up

Rite now, shiggity show 'em how my crew get down  
Rite now, Das EFX puttin' it down  
Rite now, everybody raise it up  
Rite now, we about to blaze it up

Yo, yo, I bought a glock off a Puerto Rock  
Off a block and fo' green back when I was 14  
Now my thug's punk crilli, the thug willies  
We're mack milli, cowardly cats get smacked silly

Wanna beef? Get back on and the street get splashed  
from your cheek, past your ass till your feet

Crab nigga duck shiggity-shots from the aimed Glocks  
Fall on your head like raindrops till your brain pops

Yo yo, I got a chick that'll lie for me  
Die for me, shoot ya in your eye for me  
Get high with me, the unfadeable, upgradeable  
You wiggity-waste your time 'cos I'm unrateable

See, figgity-find me in the Benz on the backstreet  
Listenin' to Blackstreet, fuckin' in the back seat  
What? '98 thug mania, bring the pain to ya  
And ain't no savin' ya when I start blazin' ya

Rite now, shiggity show 'em how my crew get down  
Rite now, Das EFX puttin' it down  
Rite now, everybody raise it up  
Rite now, we about to blaze it up

Rite now, show 'em how my crew get down  
Rite now, Das EFX puttin' it down  
Rite now, everybody raise it up  
Rite now, we about to blaze it up

Rite now, shiggity show 'em how my crew get down  
Rite now, Das EFX puttin' it down  
Rite now, everybody raise it up  
Rite now, we about to blaze it up
