No doubt , no doubt
(No doubt)
Sewer rats in ya area
(Feel that worldwide)
'Bout to make things scarier
(No doubt, Diggy Das)
Diggy Das
(Generation)
Yo, yo, yo

If iggity, I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind

Well, iggity ashes to ashes and dust to dust
I'm miggity makin' all the money every time I bust
No fuss, fully blown, Benz fully chrome
Flips celly phone, Diggy Das, once again its on

It's Dray Boogie, no rookie, a tough cookie
Biggity blow the spot every time they book me
The big boys were makin' big noise
Biggity bubblin' and pushin' big toys

From the corner to the stage, front page
Riggity rockin' the age, dropped the dime, please
So give a toast to the host, East Coast
West Coast, this here's just a small dose

Jump in the square this year, we take the whole pie
No lie, the platinum and the gold eye
Keep it jumpin', got the beat thumpin', pumpin'
Yiggity, yes, y'all, I know one thing

If iggity, I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin but the money on the
mind

Yo, yo
I pliggity play the back like a NFL safety
I wiggity wont let the game break me even though the
games shaky
And the players flaky, they niggity need someone to
boss 'em
Set up my office now e'rybody flossin'

If niggas is hot, I'm ultraviolet
If niggas is fly then I'm the pilot, friggity frequent flier
mileage
Cash flowin', over throwin', motor rollin'
Play the low and keepin' niggas not knowin', yo

It's like the wind beneath my wing, everything that I
sing
Kid, I'ma bring, so let me do my thing
Knock the bastard, smiggity smack it out the park, right
Sewer rats, tiggity tales from the dark side archive

If iggity, I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind

Yo
You buy the stocks off some side blocks
And buy G locks to fight cops
Buy spots, niggity never ever ride jocks

Bubble goose, fat Benz, fat Timbs
Fat ends, fat rings, biggity best scams
We got a fool proof hustle, lotta muscle
So miggity make sure to put the money in the duffel

Yo

What's miggity mines is yours and yours is mines
If iggity I shine then you shine, the crew shine
You rock the Benz, son, I rock the range
Giggity got nuttin' to lose and e'rything to gain, I'm
sayin'
Forget the pain and the struggle, and all the trouble
Up in the jungle wit my man now were seein' double

If iggity, I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin' but the money on the
mind
If I shine then you shine
E'rybody shine, niggity nuttin but the money on the
mind

One time blow, ya mind, Diggy Das with the rhyme
What? Yeah, yeah
Yo, yo, yo Diggy Das in the racin'
Yo, yo, yo come rat, c'mon pacin'
