### VERSE 1

I don't care about those presents all my friends saw  
that they want, ohh,  
I've got my eyes on something else at the moment and  
that's a whole different thing, so,  
You better be a good boy this year,  
I'm gonna be lonely I fear,  
So I'll send you off the Santa Claus I'll see you on  
Christmas Day

### CHORUS

Don't leave alone this Christmas,  
Don't make me feel un-wanted,  
I don't care about foot spas that's nothing to me,  
Don't make me cry this Christmas,  
You know you wanna come knocking on my door,  
You know you wanna be with me ya lucky boy offer  
accepted, oh!

Oh, oh, oh, woah, yeah, yeah,

### VERSE 2

Imagine mistletoe instead of the stereo blasting music  
we don't know,  
I want you to myself don't leave me on the shelf not  
living my life,  
You better be a good boy this year,  
I'm gonna be lonely I fear,  
So I'll send you off the Santa Claus I'll see you on  
Christmas Day

### CHORUS

### BRIDGE

Give me greatest Christmas present of all,  
Stand by me, make me stand tall,  
Your the only one, the only thing I need,  
So don't leave me alone this year, I beg you please!
