VERSE 1

I used to feel so small,
Never thought I'd achieve,
Until someday somebody told me,
That I need to believe

Is there anything wrong with me?
Why am I different from everyone else?
Why can't anyone see?
No one understood how I felt.

CHORUS:

You should never be afraid,
Of what the future may bring,
It's never too late,
To steal that throne from the king,
If you wanna do wanna do what you wanna do,
All you gotta do,
Is have faith in yourself,

Ohh, faith,

VERSE 2

No one ever knew how it felt,
To be left in the dark,
No where in my life,
To make my mark,

Is there anything wrong with me?
How am I different to everyone else?
Why can't anyone see?
No one understood how I felt

SING CHORUS

If you trust yourself you can go far,
If you don't try, it'll leave a scar,
There's nothing you can't do,
So let's start anew

SING CHORUS 2x

Just have faith in yourself
