You said that I could trust in you
You said that it would be ok

I was madly in love with you,
Believed in every word you said
I counted the days and nights
That you kept out of sight
I don't think you'll ever return
Well in that case...

Chorus: (2x)
You can burn, motherfucker, burn
I push the brakes and make a U-turn
I'm driving back in the fast lane
To my world before you came

You said that I could trust in you
You said that it would be ok

I was madly in love with you
Believed in every word you said
I counted the days and nights
That you kept out of sight
I don't think you'll ever return

Burn, Motherfucker, Burn!

Chorus: (2x)
You can burn, motherfucker, burn
I push the brakes and make a U-turn
I'm driving back in the fast lane
To my world before you came

How could I be so blind?
I didn't see it coming
Believed in all your lies
You treated me so kind
Like I was in heaven
But lately it's been hell
I get up again
I know I will
I get up again

Oh, I get up again
Yeah, now you can burn...

Chorus: (2x)

And now you can burn, motherfucker, burn
I push the brakes and make a U-turn
I'm driving back in the fast lane
To my world before you came

Burn, Motherfucker, Burn!
