I think that this party is old, people don't do nothing,
oh, don't ya agree with me? I think that this party is
boring, people always have to say something, oh, don't
ya agree with me?

I want- action I want- satisfaction with you and me! we
need to stop the talk talk talk and we need to go and
prance! prance and dance!

I think that you better be with me. oh snap! there you go
with ashley. saying that she's better than me. I think
that I need a person oh, but you go dance with you
know. oh, don't you talk to me.

I want- action! I want- satisfaction with you and me! we
need to stop the talk talk talk and we need to go and
prance! prance and dance!

Oh, oh, oh. yeeeah! oh, oh, oh, oh, we need to dance
with me. we need to prance with me. you need to stop
the talk and just dance.
