You can't, stop me like that, when I know that you, have a secret going on. you don't have to lie, cause then you will cry. and I will laugh at you. but I think I'm going crazy but is there something maybe?

Why can't I stop looking at you all of the time?  
whenever I cry you are right there! why can't I stop talking about you all the time? whenever I see that maybe I like you.

Oh oh, when I see you, you start to be angry I'm sorry if ever hurt you. but what did I ever do wrong? I had to just make this song, but it is just for you. but I think that I may be wrong but that is why I wrote this song!

Why can't I stop looking at you all of the time?  
whenever I cry you are right there! why can't I stop talking about you all of the time? whenever I see that maybe I like you.

You can say all you want, but that don't matter, if I right there trying to get you mine! but it makes no sense what'soever. but I think that maybe people ask me-

Why can't you stop looking at him all of the time?  
whenever you cry he is right there! why can't you stop talking about him all of the time? whenever you see that maybe you like h-

Why can't I stop looking(looking) at you all of the time?  
whever I cry you are right there! (right there) why can't I stop talking about you all of the time? whenever I see that maybe I like you.(maybe I like you) maybe I like you (mayyybbeee I like you)
