Oh I know you think you sleepy. oh, don't you think you need me? oh. oh. oh oh.(break) I am just a confident girl. you are someone from another world. and ooh. who cares?

Bridge:

Last time you were falling asleep. you couldn't even see how much you mean to me! I cried, you lied! and I am dreaming!

Why are you still not seeing that there is something that I have got to tell you? I am just waiting for this day, so how you don't ever want to- waaaaaakkkkkkeeee up! how come you never- waaaaakkkkkkeeee up!

Oh, I keep staring at you. you know, that I really want to. be your friend.(well more than a friend) oh, I keep thinkin bout you, oh you know I really need to. soo, why can't we fess up?

Last time you were falling asleep. you couldn't even see how much you mean to me! I cried, (oh) you lied! (No! ) and I am STILL DREAMING!

Why are you still not seeing that there is something I got to tell you/? I am just waiting for this day so how come you don't ever want to- waaaaaakkkkkkeeee up! (oh oh) waaaakkkkkkeeee up! (oh)

(10 second break)

Why won't you ever wake up?(ooooooooooooohhhhhh)
