Don't give up on yourself.
You know you can do better.
Living outside your home.
With nothing except letters.

You could have had so much more.
If you wouldn't have gone back.
To another floor.
Where you have to pack.

You could have stayed at home.
Instead at looking out your window.
You always gotta know,
I'm here for you so.

You're gonna, make it, whenever you take chances,
you're gonna make it!
(Yeah, you are!) (yeah, you are!) you're gonna make
it! (yeah, you are, you are)

You never write us back.
So we don't know what goes on.
Whenever you look at them sad.
You could have done much more.

But you didn't want to listen.
Now you're gonna learn.
Doesn't matter if you suffer.
Now it's your turn.

You could have stayed at home.
Instead of looking out your window.
You always gotta know.
I'm here for you so.

You're gonna, make it, whenever you take chances!
you're gonna make it! (yeah, you are) (yeah) you're
gonna make it!

Stop giving up.
You know that's never the answer.
Whether you had enough.

You're gonna be going by closed doors.

You know you're better than that.
Whether you like it not.
But you didn't have to score.
It's your turn.

Don't give up on yourself.
You know you can do better.
Living outside your home.
With nothing except letters.
