

Same Old Story "Emo Kids"

Is it just me or my imagination? Emo kids are taking on world domination.

We've got Taking Back Sunday and The Used,
Leaving young kids with lives that are so confused.
"So cut your wrists and black those eyes"
Yeah, that's a line from Hawthorne Heights,
But that don't make it alright. How can you guys sleep at night? Can you sleep at night?

Emo kids are,
Are in every show,
With fringes and tight clothes with the style you know.
So cut your wrists and shred those tears.
Have a cry and wipe away your tears.
Life's not so bad for an emo kid.

So they're trying to be like them. It's a shame.
Bert McCracken is to blame.
It's too bad they all look they same,
They look the same.

Emo kids are,
Are in every show,
With fringes and tight clothes with the style you know.
So cut your wrists and shred those tears.
Have a cry and wipe away your tears.
Life's not so bad for an emo kid.

Life's not so bad for an emo kid. Life's not so bad for an emo kid.
Now your friends are all gone,
Now it's time to move on,
Put your best foot first.
Now your dog ran away,
And your father turned gay,
What could possibly be worse?
Be worse?

Emo kids are,
Are in every show,
With fringes and tight clothes with the style you know.
So cut your wrists and shred those tears.

Have a cry and wipe away your tears.
Life's not so bad for an emo kid. (x2)
