I'll never leave  
Cos for you I dream  
How can I stay away  
Your light is all I need  
Your love is all I need

(Urdu)  
Aye sanam noori  
Tujse kaisee dooree  
Jene ko teree  
Roshanee zaroore (x2)  
(Oh my effulgent beloved  
Why should there be a distance.  
To live all is sufficient  
The need of your light the need of your light)

Why I won't lie  
I won't even try  
Cos I'm never going to be the one to end this love  
And I'm never going to be the one who dares to take  
my eye away from you  
I'm never going to be the one who dares to leave you  
Cos I won't be alone  
Your love is all I need

I want to see where this love will take me  
Cos all I want is to be with you  
Your love is all I need  
So don't ever leave

(Urdu)  
Aye sanam noori  
Khawaeshein teree.  
Chahath hain meree  
Zindagee hain meree (x2)  
(Oh my effulgent beloved  
Your requests are my desires  
They are also my life)

Why I won't lie  
I won't even try  
Cos I'm never going to be the one to end this love

And I'm never going to be the one who dares to take  
my eye away from you  
I'm never going to be the one who dares to leave you  
Cos I won't be alone  
Your love is all I need

(Urdu)

Why I won't lie  
I won't even try  
Cos I'm never going to be the one to end this love  
And I'm never going to be the one who dares to take  
my eye away from you  
I'm never going to be the one who dares to leave you  
Cos I won't be alone  
Your love is all I need

(Turkish)

Birakmam seni, asla terk etmem  
Sen isik sen gunes, ben senin golgen  
Sense birtanem, vurgunum sana  
Asla vazgecmem, kalbimde sen varsin  
Askidan donmem, asla terk etmem  
(I can't leave you, Never could I abandon you  
You are the light, you are the sun, while I am merely a  
shadow  
You, my one and only, Struck on you,  
I would never give up (loving you), you are the one in  
my heart  
I can't turn away from your love, never could I abandon  
you)

Why I won't lie, I won't even try  
Cos I'm never going to be the one to end this love  
And I'm never going to be the one who dares to take  
my eye away from you  
I'm never going to be the one who dares to leave you  
Cos I won't be alone  
Your love is all I need

Cos I'm never going to be the one to end this love  
I'm never going to leave you  
I'll never leave  
I won't ever leave  
I won't ever leave  
Cos your love is all I need  
And I'm never going to leave  
And I know that you see  
How much you mean to me  
I won't ever leave  
Never, never leave
