can you tell me why do we meet

can you tell me what's left between us

after what lost in the mid of the years

after farewell longing died

all our word have no taste

us getting bake togather will be illuison

what's lost possible to return

nothing left from the rest of the promises

just two word let's forget each other

you lied to me i lied to you

you wont be mine and i wont be your

i wornged my heary and i wronged your

i lost you and you lost me

after farewell longing died

all our word have no taste
