### Verse 1 (Jamie)

Hold...  
Yeah...  
Holding you here in my arms  
Your heart is beating fast  
And you want me to tell you just  
How long my love will last

### Pre Chorus (Sammi)

Look in my eyes, hear what I say  
I'll be the one who won't walk away

### Chorus 1 (Jamie & Sammi)

I cross my heart  
Pledge to you, all my love  
To have and to hold  
From this moment on  
Just as long as the stars shine above  
I will be true, I promise you  
I cross my heart

### Verse 2 (Sammi)

If I had just one wish  
I'd make your dreams come true  
'Cause I have everything I need  
When I'm Loving you

### Chorus 2 (Sammi & Delicious)

Put your hand in mine, I want you to know  
I'll stand by your side and never let go

(Repeat Chorus 1)
