(Dick Overbey)

Come on over Billy Jack and brink your drink it's okay
Just forget the things I told you yesterday
For this morning he'll be married and there's not a
chance to geting back
He let me down so down I'm goin' all the way.

She's taking everything that it took me years together
What took me years she got in two months and a day
She's got my baby and home and my only child has
gone
He let me down so down I'm goin' all the way.

--- Instrumental Steel ---

He let me down so down I'm goin' all the way...
