(Leon Russell)

I was just thinking about you today
And your leavin's left me a memory
But I cannot get through to you find words to say
To you darling we're so far away.

Oh no I ain't crying these ain't tears in my eyes
I'm so happy I'm dying with laughter
Buck if you'd just come back over now I know that you'll
see
We're not lonesome my cricket and me.

Your picture reminds me I wanted to be free
I hurt you I throw you away
But if you'd just come over now I know that you'll see
We ain't lonesome my cricket and me...
