(Jay Livingston - Mitchell Parish - Abner Silver)

My window faces the south  
I'm almost halfway to heaven  
Snow is falling still I can't see  
Fields of cotton laughin' at me.

My window faces the south  
And though I'm far from the Swanee  
I'm never frownin' down in the mouth  
My window faces the south, Wade Ray.

--- Instrumental ---

My window faces the south...  
And though I'm far from the Swanee  
I'm never frownin' down in the mouth  
My window faces the south, Hal Rugg.

--- Instrumental ---

Jimmy Capps

--- Instrumental ---

My window faces the south...  
And though I'm far from the Swanee  
I'm never frownin' down in the mouth  
My window faces the south.

My window faces the south...
