(Hoyt Axton)

Well, I've never been to Spain but I kinda like the music
For the men there are insane and they sure know how
to use it
But they don't abuse it I can't refuse it and never gonna
lose it.

Well, I've never been to England but I kinda like the
Beatles
I was started for Las Vegas I only made it out to
Phoenix
Can't you feel it you must believe it but it feels so good.

Well, I've never been to heaven but I've been to
Oklahoma
People tell me I was born there Lord I really don't
remember
In Oklahoma or Arizona what does it matter.

Well, I've never been to Spain but I kinda like the music
For the men they are insane there and they sure know
how to use it
They don't abuse it never gonna lose it can't refuse it.

Well, I've never been to England but I kinda like the
Beatles
Oh, I headed for Las Vegas I only made it out to
Phoenix
Can't you feel it you must believe it but it feels so good.

Well, I've never been to heaven but I've been to
Oklahoma
People tell me I was born there Lord I really don't
remember
In Oklahoma or Arizona what does it matter...
