Sometimes I think that I'll be leavin'  
There's a lot of things I'd like to see  
And when I hear those big jets whinin'  
The urge for leavin' comes to me

Sometimes you leave the door wide open  
It would be so easy just to go  
Then about the time I quit hopin'  
Somehow you just seem to know

Then you walk in  
Knowin' what I'm thinkin' of  
You give your warm and tender love to me  
And then you know I just can't go

Then you walk in  
Knowin' what I'm thinkin' of  
You give your warm and tender love to me  
And then you know I'll never go
