(Sammi Smith)

Tony can I sing you a song
And will you listen it won't take very long
And you don't have to believe a single word but I swear
Every word is true
It's a little song meant just for you.

Tony I've been crying all day
'Cause I just can't stand to you then this way
And you know hurtin' you's the last thing that I ever
wanna do
'Cause there ain't no one to take the place of you.

And I won't ask you to forgive me but I wish you would
And I won't ask you to believe I did the best I could.

But Tony if I'll sing you a song
Will you listen it won't take very long
And you don't have to believe a single word but I swear
Every word is true
This little song is meant to tell you I'm sorry
To tell you that I love you Tony...
