Once upon a time  
Our story did right  
Like a fairytale  
Forever and ever and ever  
A boy loved a girl  
They made a secret world  
It's in love they'd stay  
Forever and ever and ever

Good-bye super nova  
You learned so beautifully

No more happy ever after  
No more love and no more laughter  
Just go, go, go  
Yeah, cuz we both know  
There's no use in pretending  
And it hurts so much remembering  
Just go, go, go  
Cuz our happy ever after  
Is ending...

We turned the final page  
There's nothing left to say  
Kissing you good-bye  
Forever and ever and ever

Good-bye super nova  
You learned so beautifully

No more happy ever after  
No more love and no more laughter  
Just go, go, go  
Yeah, cuz we both know  
There's no use in pretending  
And it hurts so much remembering  
Just go, go, go  
Cuz our happy ever after  
Is ending...  
Happy ever after is ending

Go! Go! Go!

Go! Go! Go!  
Go! Go! Go!

No more happy ever after  
No more love and no more laughter  
Just go, go, go  
Yeah, cuz we both know  
There's no use in pretending  
And it hurts so much remembering  
Just go, go, go  
Cuz our happy ever after  
Is ending
