Iâ—I'm trying to find the way to tell that
Iâ—I don't wanna spend the rest of my life without you
Iâ—I gotta the nerve up, words up for you
So Iâ—I picked up the phone but I nearly died cuz
Iâ—I froze on hello, my tongue got tied
It's insane
The way that I'm acting thinking of you
Of you

I don't know what you're feeling, baby
But one things for sure

I've got
Strange Butterflies
Flying â'round inside
Making me weird
Every time you come near
And all I want you to see
Is what you mean to oh, me
Strange Butterflies
Take control
And they won't leave me alone

Iâ—I don't have this problem with anyone else
Iâ—I get with you so I can't be myself so
Iâ—I'm tripping over the fact that I'm crazy for you

I don't what you're feeling baby
But one things for sure

I've got
Strange Butterflies
Flying â'round inside
Making me weird
Every time you come near
And all I want you to see
Is what you mean to oh, me
Strange Butterflies
Take control
And they won't leave me alone

I've got

Strange Butterflies
Flying 'round inside
Making me weird
Every time you come near
And all I want you to see
Is what you mean to oh, me
Strange Butterflies
Take control
And they won't leave me alone

I've got
Strange Butterflies
Flying 'round inside
Making me weird
Every time you come near
And all I want you to see
Is what you mean to oh, me
Strange Butterflies
Take control
And they won't leave me alone
