One day you're gonna run into yourself
You can try to hide it just won't help
Cuz you can change your mind but not your fate
You can change your life it's not too late

Listen to the quiet
Listen to your heart
Can you feel the gentle touch?
A candle in the dark
Listen to the wind blow
Feel the stormy hold (?)
If you can hear the message
Answer the call

Oh

You can show the world what you've done
But the world cannot also make you come unveiled
When we talk of freedom there's a price
But it's something that you never come pre-nice (???)

Listen to the quiet
Listen to your heart
Can you feel the gentle touch?
A candle in the dark
Listen to the wind blow
Feel the stormy hold (?)
If you can hear the message
Answer the call

You live
You learn
You share
You laugh
You cry
You hope
You die
You dream
You love
You bleed
You try
Ask why

Listen to the quiet
Listen to your heart
Can you feel the gentle touch?
A candle in the dark
Oh and listen to the wind blow
Feel the stormy hold (?)
If you can hear the message
Answer the call

Oh

Answer the call
